We have a no shelter policy. This means that for any reason if a puppy or dog needs rehoming that it must be returned to the breeder. We will then try to rehome if appropriate, but if not the dog will remain in our care for the remainder of their life. No refund will be provided.

SWA will strongly suggest best puppy matches for you and your home based off of your application but ultimately you may choose which puppy feels right to you. Choice will be given to applicants based on date of submitted completed application and puppy deposit. Puppy deposits are only refundable if puppy preferences provided above are not available within litter or if breeding fails.
